## General Information

**Location** — To simplify the matter of transportation for all prospective buyers, we are holding this auction sale at the Fair Grounds in Lafayette, Indiana. Lafayette is on the main line of the Big Four Railroad from Indianapolis to Chicago and there is excellent bus transportation from every direction. Headquarters will be at the Fowler Hotel in Lafayette where transportation will be provided to the Fair Grounds.

The sale will start at 1:00 P. M. on Tuesday, October 20, 1942.

Please bear in mind that the Annual Fall Sale of the Indiana Shorthorn Breeders' Association will also be held in Lafayette (Purdue University pavilion) on Wednesday, October 21st, the day following our sale. Eighty-five head of strictly top breeding cattle will be offered in the two sales.

**Mail Bids** — We want you to come to the sale if you can possibly do so. If you cannot come, mail or wire bids may be directed to Hal Longley of The Shorthorn World, Aurora, Illinois or to H. J. Gramlich, Secretary, American Shorthorn Breeders' Ass'n., 7 Dexter Park Ave., Union Stock Yards, Chicago, Illinois.

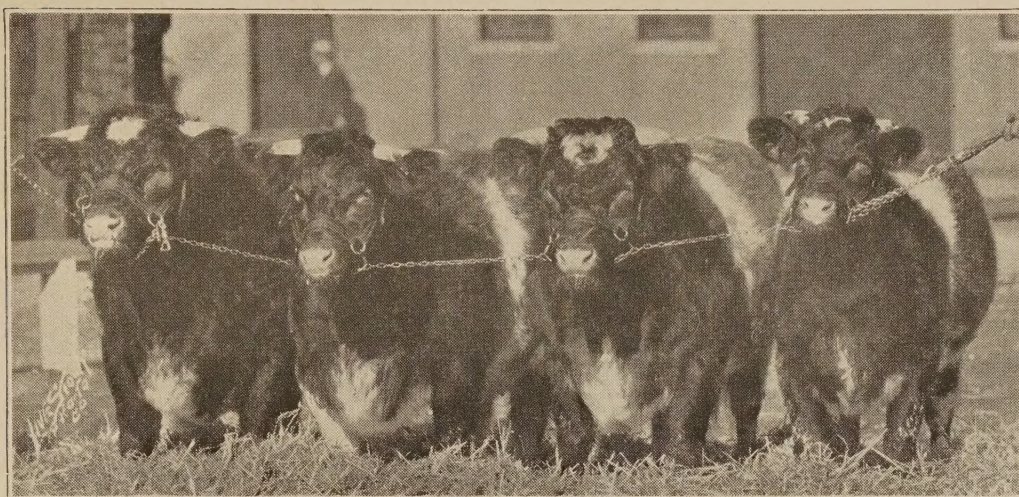

Consult the rail or bus agent in your town at once for the most convenient travel routes to this sale.

**Do your buying now before gas rationing makes the task more difficult.**

Lunch will be served on the grounds.

**Please Note** — It was our original intention to truck cattle free of charge for a distance of 100 miles. We have found it necessary to abandon this plan since the location of the sale has been moved to Lafayette. Plenty of truck facilities are available at Lafayette, however, and we will assist in every way to facilitate shipments.

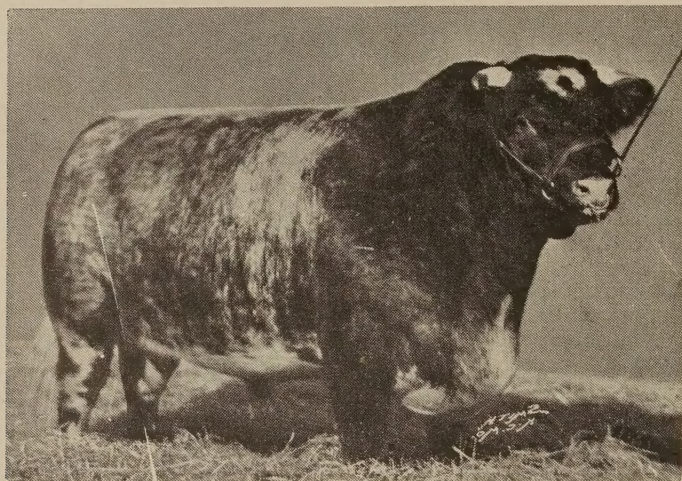

An International first prize winning get of sire produced by T. Dorsey Jones in his Raveni Herd at Shelbyville, Ind.

## The Raveni Consignment . . . . .

Of all the cattle in the greatest herds in the country, none are considered more valuable by their owners than those that were secured from RAVENI STOCK FARM at SHELBYVILLE, INDIANA. There are three well justified reasons for this attitude toward Raveni Shorthorns. First of all and rightly so, the public generally recognizes that the combination of Browndale Pilot, Browndale Star and Klaymor Comet blood has done as much to improve the Shorthorn breed as any blood blend in the history of the breed. Secondly, the worth of Raveni bred bulls has been proved through their use at the head of the country's greatest herds. Thirdly, the public holds the owner of Raveni Stock Farm, Mr. T. Dorsey Jones, in as high esteem as any living breeder. This year, more than ever before, the Raveni sale offering should receive careful attention because ten of the seventeen outstanding animals are sired by the great young herd bull KLAYMOR COMET and many of them have the Pilot-star "perfect nick" in their pedigrees to insure successful careers. Mr. Jones will offer twelve outstanding young herd bulls. All are blocky, compact, short legged and heavy boned, with grand heads and exceptional smoothness of flesh. You will find that this sale provides an immediate answer to the perplexing question "Where shall I buy my next herd bull?" Although only five females are being offered from the Raveni Herd, they are grand individuals and they feature the get and service of KLAYMOR COMET, the most famous son of Imp. Collynie Royal Barrage.

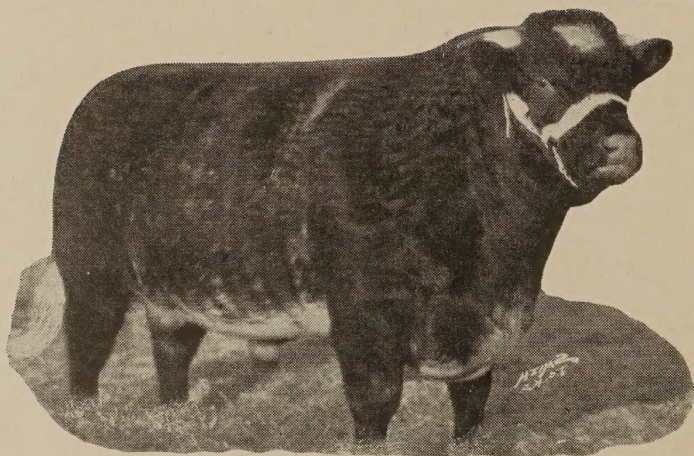

# HERD BULLS THAT MAKE FAME ARE

Raveni Masterpiece, bred by T. Dorsey Jones. An International grand champion and sire of an International grand champion of each sex. Used with great success in the Robinwood Herd.

Browndale Hero, bred by T. Dorsey Jones and another bull representing the "Perfect Nick". A prominent prize winner and a very successful sire in the noted Merryvale Farm's herd.

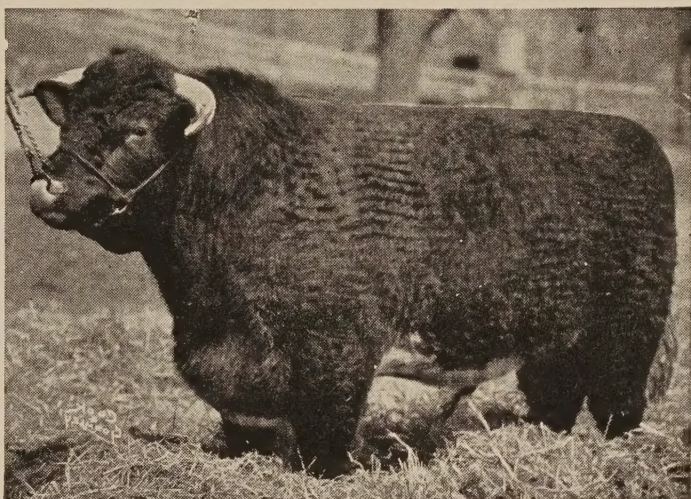

Raveni Leader, bred by T. Dorsey Jones. A winner of junior championship at the International Live Stock Show and used with great success at Edellyn Farms, Wilson, Ill.

# PRODUCED ANNUALLY AT RAVENI FARMS

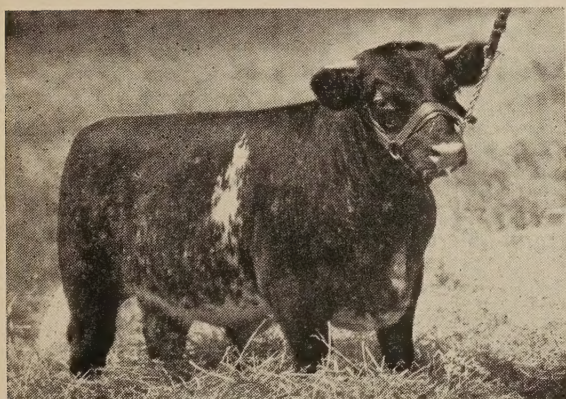

with. Many others are making equally brilliant breeding records. Now, more than ever before, you can buy Raveni bred bulls with **pride** and use them with **confidence**.

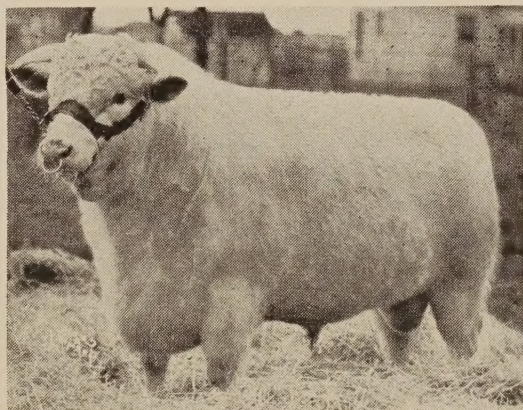

Browndale Ringmaster, bred by T. Dorsey Jones and used with great success by Wm. A. Allison's Sons. Like all other Raveni bred bulls pictured here, he was produced through the "Perfect Nick".

Browndale Cumberland, bred by T. Dorsey Jones and produced through the "Perfect Nick". An International champion and a very successful sire in the famous Maxwalton herd.

Browndale Guardsman, one of the first bulls produced through the Browndale Pilot-Klaymor Comet blood combination and perhaps the best bull we ever bred. Now in the herd of Wm. Allison's Sons.

Browndale Cupbearer, bred by T. Dorsey Jones and sired by Browndale Pilot. Used with great success at Raveni Farms.

Klaymor Comet has fulfilled our fondest expectations as a sire. We purchased him from the famous herd of W. J. Russell in Canada. Within two months after we purchased him, he won first prize at the International. The Browndale Pilot-Browndale Star cross that became known everywhere as the "perfect nick" has been strengthened through the addition of the blood of Collynie Royal Leader and Naemoor Jasper, that this good son of Imp. Collynie Royal Barrage brings us. Klaymor Comet is siring the best calves we ever produced and they are offered in this sale.

RAVENI - ROBINWOOD NINETEEN FORTY - TWO AUCTION SALE

A visit to Robinwood is a treat for any person who knows and appreciates good livestock. Here are a few of the cows in pasture at Robinwood.

Good heads, deep bodies, short legs and rich ancestry are characteristics that combine to make Robinwood Shorthorns attractive and dependable.

You will always find top quality in the Robinwood Herd. This picture was taken at the Greensburg, Ind., farm.

## The Robinwood Consignment . . . .

For over half a century, breeders everywhere have learned that the Robinwood herds, located at Greensburg and Waldron, Indiana are among the breed's best sources of supply for Shorthorns that display top quality. Each Robinwood Auction Sale has been patronized by those who are eager to take advantage of the improvement that may be gained through the purchase of bulls and females that are the result of years of effort by a master breeder. The 1942 offering will provide further opportunities to those who are aiming toward progress. Four outstanding young bulls are to be sold and this quartet will include the great senior bull calf BUGLER'S CHAMPION, easily one of the most perfectly moulded red bulls that has been offered in many a year. ROBINWOOD BRIGADIER 2d, a red junior bull calf and Robinwood Rosewood 13th, a red junior heifer calf, both of outstanding show promise, are being offered just as a means of demonstrating the breeding worth of our great young herd bull, ROBINWOOD ROYAL LEADER.

The 22 beautiful females that are to be offered by Robinwood are a beautiful lot for foundation purposes. A liberal number of young cows will have calves at foot by BRAWITH BUGLER and BROWDALE MERRY STAMP and prospective buyers will be delighted with a group of fifteen cows and heifers that are well forward in calf to the service of BROWDALE MERRY STAMP, ROBINWOOD ROYAL LEADER and DREADNAUGHT INVADER. The call today is for top quality backed by faultless bloodlines and Robinwood is answering this call by consigning to this sale a wonderful lot of cattle. No matter where you live or how much expense is involved in the trip, you should certainly attend this important sale.

Above are shown a group of the choice heifers that are to be sold in this auction.

# BUGLER'S CHAMPION

## *"The Bull of the Year"*

Recalling the scores of famous sires that have been produced at Robinwood Farms, it may seem like too broad an assertion to state that Bugler's Champion is the best bull yet produced at Robinwood. And yet, the owners rate him as such and certainly any breeder who inspects him will find that he analyzes perfectly from end to end. His dam, Robinwood Seamstress 5th, is shown in the center of the picture below, this picture having been taken when she was a winning 2 year old and a member of the undefeated aged herd in 1934. A shorter legged bull than Bugler's Champion will not be offered for sale this year and few bulls have ever been developed that are thicker, better balanced or heavier in the quarters and twist. In brief, he is a perfect block of a bull, with smooth shoulders, well filled over the heart and a thick covering of smooth, mellow flesh. As his picture shows, he has an ideal head and his dark red color is perfect. He leaves our farm to go through this sale with a higher recommendation than any bull that has been developed in the 62 years of Robinwood Short-horn progress. We pledge that the entire proceeds from the sale of this grand young bull will be invested in United States War Bonds.

The center animal in this picture is Robinwood Seamstress 5th, the dam of Bugler's Champion, Lot 5.
